After that is done, you will want to complete the other sections. In the program materials section, there are several tabs to complete:

- Questions
- Documents
- References
- Prerequisites

The Accelerated Bachelor of Science in Nursing (ABSN) is a 60-credit on campus program for individuals who currently hold a bachelor's degree in a field other than nursing who desire to switch to a nursing career. You can earn your Accelerated BSN degree in as few as 16 months. Gain the academic foundation, hands-on training and clinical experience students need to enter the nursing field with the skills and confidence to deliver exceptional patient care. Graduates of TLU's Accelerated BSN program will be prepared to pursue licensure as a Registered Nurse by taking the National Council Licensure Examination for Registered Nurses (NCLEX-RN).

To apply, the following requirements need to be met:

- Official transcripts from all institutions attended
- Earned a baccalaureate degree from a regionally accredited institution
- Undergraduate GPA of 3.0 or greater
- Cumulative prerequisite GPA of 3.0 or greater
- ATI TEAS composite score of 70 or higher (taken within the last year)
- Provide one recommendation form. A letter of reference to accompany the recommendation form is strongly encouraged.
- Completion of two short essay questions
- Completed the following science prerequisite courses with a grade of C or better within the past seven years:
 - Human Anatomy and Physiology I & II
 - Microbiology
 - Principles of Chemistry
 - Nutrition
 - Pathophysiology

The Question section has 2 short answer questions for you to complete, a paragraph should be fine, you only have 1500 characters, so keep it short.
