General Apartment Information

Most apartments in the NW Houston are 2-3 story buildings. Apartments will vary from efficiencies to 3 bedroom units. They will mostly be equipped with the major kitchen appliances including stoves, refrigerator, dishwasher, garbage disposals, carpet/tile/vinyl flooring, blinds, swimming pools, business center with WIFI access and an exercise facility. While some apartments will have a washer and dryer available in each unit, the least expensive complexes will have washer and dryer connections or a common laundry room on site.

Apartments will vary in pricing depending upon the amenities, age and condition of the complex. The standard rental lease agreement is from 6-15 months. There is usually an application and an administration fee. If you have a pet, you will need to expect a pet deposit and maybe a monthly pet rental fee.

Keep in mind that rates are subject to change without notice on a daily basis.
