**Math:**

**English:**

**Science:**

Below, please provide the following:

Explain why you did not meet the admission GPA requirement.

1. Describe what has changed that will help you succeed in the nursing program.
2. Outline your plan of action, including what you will do differently to ensure future success.
3. Confirm your willingness to accept probationary status and comply with the department's recommendations.

If you need more space, you may continue on the next page or submit a separate letter of appeal.
